

SHARING HOPE

 **COURAGE**
THROUGH CANCER™

COURAGE THROUGH CANCER MINISTRIES IS SHARING HOPE!

For 12 years, Courage Through Cancer Ministries has reached out and offered hope to people whose lives have been turned upside down by a cancer diagnosis! We have met people in hospitals, oncology offices, and homes, and we have compassionately ministered to them in person, by phone, and online, in Jesus' name. And in 2021, the avenues continued with an online support group and radio announcements across the country. And we made first-time visits to oncology centers North, South, East and West of Tallahassee, to reach those who had never heard of Courage Through Cancer Ministries and offer them support in their time of great need.

What was the result? Almost 1,400 people received a Cancer Care Bag with practical and spiritual support! This was more than double the number of people we served in 2020! Your financial partnership with us is needed, as we continue to "Share Hope" in 2022 and minister in Jesus' name to even more precious people, whose lives have been touched by cancer.

Between now and May 6, we invite you to partner with us in our "Sharing Hope" Spring Fundraiser. This fundraiser provides over one-third of our operating budget for the year. We are so grateful for all those who choose to help us share true hope in Jesus Christ and offer practical and spiritual support to individuals and families impacted by cancer all year long. And, with the Lord's continued guidance and blessing, and your partnership with us, we will continue to "Share Hope" both locally and beyond.
