ON THE MOVE

COURAGE THROUGH CANCER™

COURAGE THROUGH CANCER MINISTRIES IS ON THE MOVE!

For 11 years, Courage Through Cancer Ministries has reached out and offered hope to people whose lives have been turned upside down by a cancer diagnosis! We have met people in hospitals, oncology offices, and homes, and we have compassionately ministered to them in person, by phone, and online, in Jesus' name. And, in 2020, the avenues expanded to an online Fellowship (support group); and radio announcements across the U.S., to reach those who had never heard of Courage Through Cancer Ministries and offer them support in their time of great need.

Enclosed you will see the ministry outreach efforts of Courage Through Cancer in 2020. You will not see decline, but growth -- that has continued into 2021! Your financial partnership with us is needed, as we continue to be "On the Move" and minister in Jesus' name to even more precious people touched by cancer, both in our community and across the country!

Between now and May 15, we invite you to partner with us in our "On the Move" Spring Fundraiser. This fundraiser is in lieu of our annual Walk and provides over one-third of our operating budget for the year. We are so grateful for all those who choose to help us share true hope in Jesus Christ and offer practical and spiritual support to individuals and families impacted by cancer all year long. And, with the Lord's continued guidance and blessing, and your partnership with us, we will continue to be "On the Move"!
